

Sport is a guarantee for health

Currently, the Republic of Uzbekistan pays great attention to the development of sports and to the international competitiveness of young sportsmen, high physical potential, and training of spiritually trained athletes. At present, all higher educational institutions in the Republic of Uzbekistan have all the conditions for sports. On 14th of April at the Faculty of Water Management and Irrigation at the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, under the slogan "Sport is the guarantee for health" in order to ensure the effective use of these conditions, organized the competition.

In this competition, our faculty participated in all the talented, high-intensity students with their groups. The competition was organized among all the teams, and the games became intense. The students of 407th group, who are in high spirits, have a great potential, and contain faculty members, and members of the Institute team. We look forward to further initiatives such as events and activities of the faculty, which will continue.
