

## Football is a game of millions

On October 20, 2019, at the institute's sports ground for students of the faculty "Organization and Management of Water Resources" under the slogan "Sport is the guarantee of health", football sports competitions for the "Dean's Cup" were organized. The competition was attended by teams of 10 academic groups of the faculty. At the end of the competition, a ceremony of awarding the winners was held, in which the dean of the faculty R. Khakimov and representatives of the dean's office took part. We express our sincere gratitude to the leadership of the dean's office of the faculty and the staff of the department of physical culture and sports for organizing this event.
